Wishing Everyone a Safe and Happy Holiday!

Well it is almost the end of the year. I can’t believe how fast the year has gone by.

Thank you to all the students who worked hard and achieved so much. I would particularly like to thank the parents, carers and community members who have supported the school in so many different ways including volunteering in the canteen, helping in the classrooms or at sporting events, supporting students at district and area carnivals, assisting with fund-raising activities and especially the parents who helped transport students to the many events throughout the year. Without all of your support the students would miss out. Thank you also to the parents who help the P&C or SRC with fund-raising events and for supporting your child’s learning through involvement in extra-curricula activities and excursions.

I would also like to thank all of the teachers and support staff who have worked extremely hard all year to provide excellent teaching programs and many opportunities for students to excel in sport, cultural and academic endeavours.

Honour Board Awards

I would like to congratulate all of the Honour Board Award recipients for outstanding performance. Congratulations to Tayla Martin for being Dux of the school, Lachlan Vecchio for Citizenship, Alec Price for Sporting achievement and Ashleigh Britton for receiving the Premier’s Sporting Challenge Medal for Sportsmanship.

School Leaders

I would like to thank our out going Captains; Faith Rivers and Martin Paynter for their outstanding leadership, commitment and willingness to help. Thank you also to the out going Prefects Tayla Martin, Hayley Mician, Alec Price and Lachlan Vecchio who have diligently carried out their duties and have been excellent role models to all of the other students.

New School Leaders

2015 looks to be another great year with excellent school leaders. Congratulations to the 2015 Captains - Jasmin Seko and Judyann Sabbagh and Prefects Beondce Kalepo, Neda Stancev, Eddie Faamausili Paese and Christian Solomon. I look forward to working with you next year.

Debating

Well done Debating Team and congratulations Hayley for being selected as debater of the year.

P&C News

As this is our last newsletter for the year we would like to take this opportunity to thank all the parents and care givers for their support during the past year. Without your help and participation we would not have raised the necessary funds to help repair and replace air conditioners in your kids classrooms.

We would also like to thank Mrs Loader, Ms Brooks and Mrs Healey and of cause all the teachers and staff for their commitment to helping us support the school.

We would like to wish all the children and families a very Merry Christmas and a Happy New Year and we look forward to seeing everyone in the New Year with exciting events and fundraisers planned.

We have set up a Facebook page to notify our families of upcoming events at school.

Check it out at: [http://www.facebook.com/stclairpublicschoolpandc](http://www.facebook.com/stclairpublicschoolpandc)

Canteen Volunteers needed for 2015

We would also like to ask for volunteers in the canteen for next year. We are only asking for one day a month to help out. The duties are very simple and full training is given. Think how exciting it would be for your child to see you during the day at the canteen!!! If you are interested please call the canteen phone: 0455 098 523 leave your name and phone number and Kimberley our canteen manager will contact you.

Also the canteen always has stock of delicious cold treats ranging from only 50c!! We are trialling some brand new ice blocks for the kids to enjoy, Lemonade Twists for $1.20ea and Mini Callipo’s for $1.20ea.

We have set up a Facebook page to notify our families of upcoming events at school. Check it out at:

Next Meetings – 7pm in the Staffroom - Tuesday 10th February 2015

School Website

Please check out the school website: http://www.stclair-p.schools.nsw.edu.au. For information about upcoming events check the Calendar or Newsletter tabs, for copies of permission notes check the Notes tab and of course check out the Photo Gallery to see lots of photos of different events.

If there is something you would like to see added to the school website and it abides by DEC policy please let the school know by dropping us an email or sending a note to the office.

Planning for 2015

We are organising classes for 2015. To assist in this organisation could any parent whose child will be leaving St Clair PS to attend another primary school in 2015 please notify the office.

Long Family Holiday

We realise that some families need to take holidays outside school holidays. If your child is going on holidays early or returning after 28th January 2015 (first day for students), please notify the office in writing or by email. If your holiday is longer than 15 days please complete an Attendance Exemption Form (available from Mrs Healey) and return to school at least 5 days prior to your holiday.

Ready for high school

Can you recall what you were most apprehensive about when you started high school? This video of Year 7 students explain why teens shouldn’t be worried about starting high school, and how they can get off to a great start in the first few days.

Student Progress Reports

The Student Progress Reports have also gone home today. The teachers have worked hard to inform you in detail about your child’s accomplishments as well as stating where your child is up to in their learning. Accompanying student reports for students in Kindergarten to Year 6 are PLAN (formally Beststart) information sheets with detailed information about your child's learning and how you can assist them at home to develop the next level of skills.

If you have any concerns about your child’s progress please contact the school for an appointment and the class teacher will contact you with a suitable time.
Review of 2014

In 2013 St Clair received an Improving Literacy and Numeracy National Partnerships grant which has continued in 2014 to provide the teachers with time to participate in extensive professional learning in the teaching of Literacy and Numeracy. Our Stage 1 & Kindergarten teachers participated in L3 training and all teachers have developed a thorough knowledge of how to plan and implement the New English syllabus. Our Stage 2 and 3 teachers participated in Taking off with Numeracy or TOWN training and have implemented the strategies learnt. As a result of this and the intensive professional learning provided over the last few years the teaching methods now used have shown a huge improvement in student outcomes.

In 2014 St Clair has again achieved excellent results from our Kindergarten and Year 1, L3 programs, where over 75% of students have achieved above state targets in Literacy. In the 2014 NAPLAN assessment over 35% of Year 3 students achieved in the top 2 bands in all areas of Literacy, this is a really great result. St Clair continues to have significant growth between students in Years 3 and 5, when compared to the state growth levels for all aspects of NAPLAN.

This year we also saw the implementation of the XO laptops. The students have engaged with this new piece of technology and use them across all key learning areas. They have provided every student the opportunity to work at the same time as their peers on the Internet, completing research, revising literacy or numeracy concepts through Reading Eggs, Reading Express, Bug Club and Mathletics websites, as well as developing keyboarding skills and completing tasks on the XO for music, science, visual arts, writing and lots more.

The Reading Recovery, English as Second Language and Learning Assistance Support programs have helped students with their literacy to achieve improved learning outcomes. We have continued our Stephanie Alexander Kitchen garden program and are very privileged to have Mrs Juanita Di Angelo our Garden assistant who has worked diligently to develop our wonderful and very productive fruit and vegetable garden and Mrs Cazendra Rice our kitchen assistant who guides the students through their cooking lessons. I’m sure all of the students in Years 3 to 6 have enjoyed their experiences in the kitchen and garden and I know the students are looking forward to cooking again next year.

The students have shown great expertise in speaking publicly with all students participating in and leading weekly assemblies. Students also participated in whole school Verse Speaking and Years 3 to 6 Public Speaking competitions which culminated in the final groups of students performing in front of the whole school. The winners of the Public Speaking finals then participated in the district competition and our Year 4 winner, Athena Auw went on to represent the school in the state competition. Our Debating team worked hard but did not qualify for the Pool final.

The choir performed at the Evans Theatre as part of the STEPS concert as well as at Westfield Mt Druitt and the Neighborhood Centre. Students in Stages 2 & 3 worked hard throughout the year learning a variety of dances for the Dance Sport Championships. Students performed at Westfield Shopping Centre and at the Championships at Penrith where the students performed brilliantly. This year we also provided two additional lunchtime dance groups. The senior dance group performed at Westfield and at the STEPS concert at the Evans theatre Penrith and the junior dance group performed at assembly and will perform at the SC Factor.

Our very talented 2014 Captains Faith and Martin and Prefects, Hayley, Tayla, Alec and Lachlan have demonstrated their public speaking skills at all the special assemblies and whenever we have had visitors to the school. As well our captains have demonstrated excellent leadership skills and have been there to assist students and teachers whenever needed.

Another group of students who have shown leadership within the school are the SRC who organized the Easter Hat and Book Character Parades and fundraising events for charities including, Our World Vision sponsored student, the Biggest Morning Tea and the State Emergency Services.

We have had many students represent the school at district, in a variety of Sports, such as swimming, athletics, cross country, AFL, rugby league, netball, cricket, soccer and softball. Our students showed good skills and outstanding sportmanship in the PSSA competitions for AFL with our Junior team going through the season undefeated and winning the competition. We have also been involved in Gala days and a variety of school clinics including Basketball, NRL, AFL, Cricket, Dance and Gymnastics. We had almost 78 students participate in the learn to swim program and all made advances in their swimming ability – keep practicing!

The Students participated in the Premiers Reading challenge with many students participating for the fourth, fifth or even sixth year and 37 students received gold awards. Well done! Keep on reading! Students in Years 3 to 6 also participated in the Premiers Spelling Challenge with each class running a spelling competition. The stage 2 & 3 champions participated in the district spelling finals. The whole school participated in the Premier’s Sporting Challenge as part of everyday fitness and sport, and play activities.

Continued on the next page.
The students had fantastic learning experiences while participating in a variety of excursions such as, Maritime Museum, Calmsey Hill farm, and incursions, such as Life Education, Responsible Pet Ownership, Smart Saver workshops, as well as Stage 2 Survivor Camp & Stage 3 Camp to Bathurst Gold Fields. Thank you parents for supporting our excursions.

This year we asked parents to support the school by subsidizing their child’s access to a variety of Internet based learning programs, including Bug Club, Reading Eggs, Reading Express and Mathletics. After careful evaluation we are again going to incorporate these programs next year. Remember the students can use these programs at school, as well as at home to reinforce the concepts being taught in the classroom. We ask for your support in using these programs by paying the small access cost at the beginning of 2015.

As you have seen and heard the students and staff have had a very busy year, participating in a huge variety of extra curricula activities, as well as, continuing to achieve outstanding student learning outcomes.

As most of you are aware we have a number of staff who have been at St Clair Public School for many years. I am honoured to have worked with these fantastic, dedicated, knowledgeable teachers but sad to announce 2 of these teachers will be taking leave in 2015 prior to their retirements in 2016. It will be a great loss to our school and to the education department, although they may do some casual teaching sometime in the future.

Mrs McKay will be taking leave all of next year prior to her retirement. I wish her a very happy retirement.

Mrs Renshaw will return for one week in 2015 before going on leave, and then retiring. I would like thank her for her dedication to the students at St Clair Public School and wish her a very happy retirement.

Miss Egger has only been at St Clair this year and has done an absolutely fantastic job relieving as Stage 3 Assistant Principal and Class 1 teacher. Miss Egger will also be leaving us at the end of the year as she has been successful in gaining a position closer to home for 2015. We wish you all the best for the future. I would also like to mention Ms Balloch will be on leave from St Clair PS in 2015 but will be sharing her talents and teaching at another school.

Mrs Watchman has gained a position as an Early Action for Success Leader in 2015 & 2016 and will be helping another school 3 days per week, to improve their Literacy and Numeracy teaching but will continue to work with our teachers on the other 2 days.

Finally I would like to say that 2014 has been successful because at St Clair PS we have wonderful teachers and support staff who ensure that our students achieve the best education. Thank you to the St Clair PS families. I look forward to continuing our strong school-family partnership in 2015. Have a safe and happy holiday and I look forward to working with you to achieve even more next year.

Penrith Library Visit
Recently Mrs Burke took a group of Stage 2 students to Penrith City Library as part of the Sydney Writers Festival Inaugural Western Roadshow to listen to several authors talk about their writing experiences. The authors the students’ worked with were Libby Gleeson (AM), Tony Flowers, Belinda Murrell and James O’Loghlin. The children particularly enjoyed the workshops by Belinda and Tony. (Tony is an illustrator).

Choosing school shoes
Are expensive school shoes the best option for happy feet? Let’s face it. School shoes have
never been at the cutting edge of fashion. In fact if you look at what your parents were wear-
ing, the humble school shoe really hasn't evolved much at all. Tips for choosing shoes:

Pleasures of free play
Allowing free time for children to play on their own, making up games and activities, can help
kids to be comfortable in their own company, teach them how to cope with boredom and, im-
portantly, foster their imagination.
Under scheduling your child:

Teach your kids to be waterproof
As temperatures rise, the risk of drowning in-
creases too. Review these water-safety tips to help keep your family safe this summer.

COOL KIDS
FREE GROUP PROGRAM FOR CHILDREN WITH ANXIETY ISSUES

Primary school years 3 - 6

The Cool Kids group is for boys and girls in primary school years 3 to 6, who have significant difficulties with issues relating to anxiety, this may include children with:

- Separation, self-consciousness, or social anxiety/ excessive shyness
- General fears or specific phobias
- Self-esteem & confidence issues
- Poor social skills
- Worries, avoidance, reassurance seeking
- School refusal and anxiety related arguments/temper outbursts
- Perfectionism, complains of headaches, tummy pains or sore legs
- Sleeping problems (falling asleep / staying asleep) in parents’ bed

Cool Kids is an evidence-based treatment program for children with anxiety issues. Both children and their parents participate in a free 8 week program that will help children overcome and manage their anxiety at home and school, and give parents practical strategies to support their children.

Groups are running during school terms 1 and 2 in your local area. Please note that all families must attend an assessment to determine suitability for the group before attending.

How can I be referred?:

Our Year 6 students have worked hard to achieve academically, physically and creatively throughout their time in primary school. Many of them have represented the school with pride and they have shown excellent leadership skills in a variety of roles. At their farewell on Wednesday they all looked fantastic and so grown up. I would like to wish all of Year 6, all the best for High School. Continue to work hard and achieve great things. Remember to smile! We will miss all of you!
Song Room Performance

Students from Class 6 entertained the crowds at Nepean Shopping Village with their Christmas Carol Performance that they had learnt in their Song Room lessons. A big thank you to Ms Alison Windsor for teaching all of the students in Stage 1 & 2 drama this semester.
