POSITIVE BEHAVIOUR LEARNING FOCUS
PBL encourages positive behaviour from students, which has been shown to improve their self-concept and motivation to learn.

The focus is respecting the school environment.

Spelling Bee
District Finals of the Premier’s Spelling Bee were held on Monday 8th September at Werrington Public School. Athena Auw and Zachary Dimitrievski represented the school for Stage 2 and Ishaq Khan represented Stage 3.

Athena was our best performer making it into round 5 but unfortunately misspelt ‘recipient’. Zac made it to round 4 but confused the ‘s’ and ‘c’ in ‘malpractice’ and Ishaq was tricked by the word ‘cordial’.

Well done to all 3 of you for making the Regional Finals.

Life Education
Students who attended the Life Education Caravan last week learnt lots about the body, keeping healthy and making healthy life choices. They enjoyed the variety of activities including seeing Harold the Giraffe. Classroom teachers will be continuing lessons on Healthy Life Choices from the PDHPE curriculum throughout the next few weeks.

Public Speaking Finals
On Monday we held our annual Public Speaking Competition finals. I was again impressed by the standard of the presentations. For results and photos see page 3.

Class 13 Writing

Class 13 has been learning about how to describe something without telling what it is, when they are writing. Here are some examples of writing about seeing a scary dog.

My Scary Day by Darlene Faamausili

One day I was walking home from school. I heard loud mega growls, the neighbour had a dog. When saw it, I started to shake. My hair was about to pop out and run away. Then my eyes felt like they were going to pop out. My brain was feeling crazy, my legs felt like they were going to run faster. My heart was feeling like it was beating a dozen times faster. My hands were sweaty. The black dog kept growling at me. All the parts of my body were doing unusual things. Finally I was relieved that the owner came and took the dog. All of my body parts stopped shaking. Then I just continued to walk home.

My Scary Day by Antonio Auw

I heard the loudest and mightiest bark I’ve ever heard. I was as still as a statue that was made out of metal that could never break. I was so scared that I nearly fainted. My mum said “calm down my boy” but I still shivered with fear. Then the owner took the scary dog away. Then we started to walk back home again.

My Scary Day by Muqeet Nisar

I was walking to my house when I heard a horrible barking sound. I stopped like a statue. My eyes flopped out of my head. The hair on my head was flying like it was in a rocket. My stomach was full of butterflies. My legs were jumping like a kangaroos.

My Scary Day by Josh Goraya

I was walking with my mum when suddenly a wild dog came along. It barked at me and I froze like an ice block. My hair jumped off my head. I felt like there were rocks jumping in my tummy. My eyes were gigantic and red.

A taster of Stage 2
Camp fun– See next issue for more photos
Stage 2 Basketball Gala Day
On Tuesday 9th September the Stage 2 boys and girls basketball teams participated in a basketball gala day at Cambridge Park. We looked fantastic in our new basketball singlets paid for by P & C and the St Clair Basketball Club. We had no idea how we were going to perform against other schools as this was our first outing as a team. The girls won 2 out of their 3 games coming second in their pool and progressing to the quarter finals. Unfortunately they were defeated in the quarter finals. The girls had a lot of fun and one girl said “I never knew sport could be so much fun!” Thank you to Ms Young for coaching the girl’s team and Mrs Martinez for scoring. The boys had 4 games scheduled of which 3 were back to back. The boys won 3 out of their 4 games also coming second in their pool. They also qualified for the quarter finals but unfortunately they were defeated. Thank you to Mr Banguis for helping coach the boy’s team and Mrs Price and Ms Barnhoorn for scoring. It was great to see both teams use their skills learnt at the basketball clinic this year. Both teams improved dramatically during their games. Thank you to all the parents who came along to support the teams. St Clair PS demonstrated amazing school spirit and all students’ behaviour was outstanding on the day. We look forward to next year’s competition.

St Clair PS Playgroup
Parents, carers, babies and children aged 0 to school age come and relax in a friendly environment. All welcome!
Fortnightly on Thursdays from: 9.15 to 11.00 am

Where: Room 20

Contact: St Clair Public school- 9670 1966 or Catherine Harding – 4732 7914

ENROL NOW FOR KINDERGARTEN
2015
Please see office for enrolment form.
Please let your friends and neighbours know if they have a child who is turning 5 before 31 July 2015.

Orientation Interviews and meetings are taking place.
P&C News

We hope all the Dads and Grandfathers loved the gifts that their children so lovingly chose for them for Father’s Day. We know the kids had a very hard time deciding which gift their Dad would love from the wide variety on offer. We would love to thank our wonderful volunteers, Simone Barnhoorn, Nicole Lynch, Maureen Dale, Kim Burrell, Kylie Towner, Rebecca Gravina, Colleen Patterson and Sue Mines, without all of you we would not be able to continue to have these opportunities for the kids. A big thank you also to Mandy Vorhauer for her excellent organisation skills in keeping things running smoothly.

We raised a total of $500.60 from the Father’s Day stall. Remember that all money raised this year will go towards the purchase and installation of 4 new air conditioners for the school.

The P&C have also donated the funds for the purchase of Basketball singlets which were worn by Stage 2 students who attended last week’s Basketball Gala Day. The singlets looked great on the kids and were worn with pride!!

Fete News

We now have less than 6 weeks before our fete and have over 70 stall bookings. There will be lots of fun activities on the day including rides for all ages, a petting zoo, side show alley, games as well as face painting, coloured hair spray and lots of yummy food. There will also be performances by the Norwest Thunderdogs, St Clair Karate and Carol Murray Productions as well as our very own talented Dance Group.

Unlimited Rides Bands are now on sale for $25 prepaid or $30 on the day. Please complete a form in the office or see Mandy to purchase the bands. Please note the bands are non refundable EXCEPT if the rides are cancelled on the day due to bad weather.

Raffle Tickets are also still on sale and our 1st Prize of a Signed, Framed Panthers Jersey is on display in the school office.

We will need some volunteers to help on this day Sunday 26th October between 8.00 am – 3.30pm. We will need some help manning our school stalls which will be a cake stall, book stall, side show alley games and show bags at this stage. We have lots of people generously offering their time but we still need more helpers even if you can just help for one hour!!!

We are also still looking for donations of books for our book stall, so if you have any good quality 2nd hand books please bring them to the school office.

During the school holidays, we will be doing our letterbox drop of fete flyers advertising our fete. If you can help out, please email us or contact Mandy on 0416 749 734.

PLEASE REMEMBER THIS IS FOR YOUR KIDS!!! WE NEED YOUR HELP!!!

Our email address for any P&C communication is stclairpandc@gmail.com OR our Facebook page is: https://www.facebook.com/stclairpublicschoolpandc

P & C Calendar

14th October – P&C Meeting (7.00PM In staff room) – PLEASE NOTE CHANGE OF DATE

26th October – School Fete

Canteen News

We are happy to announce that Ms Kim Burrell has been appointed as our new Canteen Supervisor. Kim will commence on Tuesday 7th October. We are sure you will all join us in making Kim feel welcome.

It has also been brought to our attention that due to Workplace Health & Safety requirements from the Department of Education & Communities, the Canteen can no longer heat up food from home. We know that quite a lot of kids bring leftovers etc to school but due to safety concerns, they can no longer be heated by the volunteers in the canteen.

Future Dates: - Term 4 - Tuesday 25th Nov.
The Hills Sports High School
Talented Sports Program
GOLF
Tuesday 14 October 2014
1.00pm
Fox Hills Golf Club
Trials will be held by AAA Professional, NSW & Australian PGA member
Jamie Addison

Trial is by application only; application forms are available from the school’s website: Nhsportshigh.com.au, or contact Mr Clarke Duffy on 9622 7350.

The Hills Sports High School offers a world-class Talented Sports Program (TSP) designed to provide students who excel in particular sports with elite coaching and an academic framework that enables them to reach both their academic and sporting goals.

**MindQuest 2014**
Glenwood HS, Cnr Forman Ave and Glenwood Park Ave Glenwood 2768
Saturday 8th & Sunday 9th November 9.30am-3.30pm

On Saturday 8th & Sunday 9th November 2014, the seventy fourth MindQuest program will be held for gifted and talented primary students from Years 1 to 6 at Glenwood HS. These include gifted and talented students, gifted underachievers and students with well above average ability with a special interest. Students will have an opportunity to participate in over 36 exciting, fast paced courses in the two day program. They include courses in chemistry, earth sciences, drama, Lego robotics, chemistry and much more. Most of these highly successful courses have been run in the past and students’ evaluations suggest that they have been challenged and enriched by the experience. The cost of the weekend is $175 (including GST).

More information and brochure available from stand in school office or call Shelagh 02 4232 2494
Closing Date: Tuesday October 2014

This night will include a presentation, a 3D astronomy movie and an opportunity to view the night sky through the observatory's telescopes.

Wednesday 1 October (10 am – 12 noon) - KIDS FUN DAY – ROCKETS

Lots of fun for kids of all ages. Make and launch your own paper rocket and watch water rockets being launched. The program will also include a short presentation, a 3D astronomy movie and SAFE viewing of the sun

Saturday 4 October (8pm – 10pm) - OUR PLACE IN SPACE

Become more familiar with our neighbourhood and have a closer look at our solar system, sun and moon. The evening will also include a 3D astronomy movie and stargazing (weather permitting).

Our program will run regardless of the weather.

Cost: $15 adult, $10 child/concession and $40 family

Bookings are essential: Book online: www.uws.edu.au/observatory.

Enquires: Phone (02) 4736 0135 or email r.mccourt@uws.edu.au

Office Hours Mon, Wed, Thurs 8,30am-3.00pm
HAWKESBURY HOOPSTERS

TWO HOLIDAY SKILLS CLINICS THURSDAY 25TH SEPTEMBER

• BASIC SKILLS: 9AM TO 12AM
• TRANSITION TO A TEAM: 1PM TO 4PM

$10 each

Two skills clinics for kids who are ready to join a team, and those who are already playing but would like a little bit more confidence and skills to improve their play.

These are fun clinics with a game sense approach to teach kids basic basketball skills and then how to play in a team and the basic rules of basketball.

Open to kids who have played in Hoopsters already AND any kids who would like to join our under 12s or 14s competition in Term 4 as well as those already playing.

The clinics go for three hours and will be run by Ben Garland, one of our representative coaches. The first clinic covers basic skills and the second covers basic rules and mini basketball games.

Please bring water, a ball if you have one (balls can be supplied) and wear running shoes and clothes suitable for playing sport (shorts and t-shirt/singlet). Please ring and book: 0448 525 651 to be sure of a place.

**The simplest way**

...to use leftovers in the lunch box

Leftovers are an easy way to pack your kids a healthy lunch whilst clearing out the fridge. Simply prepare a little bit extra the night before. Your kids will love the tasty leftovers and their lunch box will be sure to come home empty.

Try some of these ideas:

- **Spaghetti bolognese:** tastes great on a wholemeal bread roll.
- **Healthy fried rice or stir-fries** are a fun alternative to a sandwich.
- Turn leftover veggies into a frittata... they taste great cold!
- Simply add leftover baked veg to a sandwich or use steamed sweet potato or pumpkin as a sandwich spread with cheese (add your favourite salad)

For more information visit www.eatittobeatit.com.au or join us at facebook.com/eatittobeatit

The Eat It To Beat It program is supported by the Nepean Blue Mountains Local Health District Live Life Well® School Program.

**The simplest way**

...to use leftovers

Need a dinner meal that is also great for lunch boxes? Try our potato frittata recipe. This family favourite can be eaten hot or cold the next day as leftovers.

**Ingredients**
- 250g sweet potato, sliced
- 250g potato, sliced
- 1 tsp olive oil
- 1 onion, thinly sliced
- 1 bunch baby spinach, washed and drained
- 3 eggs, lightly beat
- 2 tbsp grated Parmesan cheese
- ¼ tsp nutmeg

**Method**

Preheat grill. Bake potato and sweet potato for 45 minutes until tender, or microwave on High (100%) in a covered dish with 1 tablespoon water for 5-6 minutes, stirring after 3 minutes. Drain well. Heat oil in a non-stick frypan, add onion and cook for 2 minutes until golden. Add potato and sweet potato, toss to combine and brown. Stir spinach and stir-fry until wilted and moisture has evaporated. Mix eggs, cheese and nutmeg in a small bowl and pour into pan. Cook over low heat until set. Place under hot grill for 2 minutes to brown the top. Enjoy!

For more information visit www.eatittobeatit.com.au or join us at facebook.com/eatittobeatit

New government dental scheme – one thousand reasons to smile!

Have you heard about the new government dental scheme “Child Dental Benefits Schedule”? From January 1\textsuperscript{st} 2014, it is providing eligible kids with $1000 to spend on selected dental services over a 2 calendar year period. This great initiative expects to help around 3.4 million Australian kids between the ages of 2-17 years.

To benefit from this scheme, children must be eligible for Medicare and the family must be in receipt of Family Tax Benefit Part A or receive a relevant Government payment. Services that will be covered include: examinations, x-rays, cleaning, fissure sealing, fillings, root canals and extractions. Benefits will not be available for services carried out in hospital, or for orthodontic or cosmetic dental work.

To see if your kids are eligible, call your local Dentist who can look up the information for you.

Information provided by Pacific Smiles Dental: visit pacificsmilesdental.com.au

2014 Book Character Parade
As a result of the rain and warm sunny afternoons our mushroom compost has grown some delightful white button mushrooms. Our garden looks amazing, it is so green and luscious!

Most students remembered the abundance of mushrooms we had last year and one particular recipe that we loved and kept in our memory was the Crumbed Baked Mushrooms with Garlic Lemon Butter. Class 4 had the privilege to cook this dish served with our yummy Garden Salad. Class 7 cooked Pasta with Mushrooms and Silverbeet, Class 6 cooked Roasted Pumpkin and Stuffed Mushrooms, Class 1 cooked Warm Salad with Boiled Egg, Class 3 cooked Pasta with Broccolini and Mushrooms served with Tabouli Salad and Class 5 cooked Mexican Style Tomato Omelette.

Great job to all who participated in the kitchen and to all the hard-working students who were involved with the garden. Thank you to all the parents who have helped or donated fruit or kitchen supplies. Have a safe holiday break and see you all next term.

Happy Cooking! Cazendra.

If you wish to donate kitchen supplies, we still need items such as:

- White sugar
- Brown sugar
- Butter
- Plain Flour
- Self-raising Flour
- Olive Oil
- Vegetable Oil
- Cheese

Also needed are jars with metal lids—to be used for preserves and jams.

Live Life Well Parent Workshop
Last Wednesday we hosted a parent workshop to assist parents in providing cheap healthy nutritious and yummy meals for the whole family. The parents received lots of ideas and a free recipe book. Parent comments included, ‘It was really good I got lots of ideas’.

Teacher verses Student Netball Game
Last Thursday the teachers played netball against the schools netball team. The teachers were very accurate with their goal shooting and easily won the game. The students tried hard and played well and just needed a few more of their goal attempts to fall through the goal. The senior students watched and cheered.
The rain has been absolutely wonderful for the garden with everything lush, green and healthy. Unfortunately, it has also been bliss for the snails against which we are constantly battling. Look at how many snails were under one box, and that's not the largest number we've ever found in one place. When Deb and I knocked down the old box that held the apple tree, there must have been over 200 snails and slugs under it! Disgusting, but a treat for the chooks who fight over these "delicacies".

In the past 2 weeks, we've replaced one box in the Terrace garden and built a new one in the main garden area. The kids loved the chance to use the hammer, saw and level and were excellent problem solvers when it came to levelling the boxes. Thanks for your help guys and for being so sensible in the garden!

We've also been digging holes for the baths to go in under the shade of the trees, so we can plant a water garden with the water chestnuts we've bought. We're hoping to add other aquatic food plants and water lilies to create a cool tranquil area and hopefully attract frogs and dragonflies to the garden.

We've planted more carrots, Jerusalem artichokes (a new crop!), kohlrabi, broccoli, beetroot, beans, viking spinach (thanks to Mrs Zoll for that one). It won't be long before these delicious crops will be used to make fantastic healthy food for us all to enjoy!

Until next time, happy gardening! Juanita

**Donations wanted:**
- Vegetable & herb seeds, seedlings & fruit trees, shooting potatoes, onions, garlic
- Oven dried egg shells (for snail prevention)
- A continual supply of fertiliser (Seasol and Rocket Fuel)
- Irrigation materials i.e. hoses, sprinklers, tap connections, timers etc.

**Special Thank You To Our Supporters of the Stephanie Alexander Garden Project**
- Fresh’n’fruity - St Clair Shopping Centre - donation of fresh vegetable leaves for chooks.
- Austas for the large wooden boxes
- Camden Farm Mushrooms - for free delivered mushroom compost

**Have Your Say**
We are currently asking parents to contribute to an online survey as part of our whole school evaluation and future learning needs of our students. Parents who have supplied their email address to the school have had the survey link sent directly to them. If you wish to contribute to the survey go to [https://www.surveymonkey.com/s/NNWDR5C](https://www.surveymonkey.com/s/NNWDR5C)
